

Start-up Visa Program Required Documents

Dear applicants,

Thank you for your interest in our program. We would like to inform you that in order to process your application and issue the Letter of Support, we require certain documents from you.

Please note that the required documents need to be submitted in two phases. The first phase is at the time of application, and the second phase is before issuing the Letter of Support. We highly recommend that you start preparing these documents as soon as possible to avoid any delays in the application process.

Phase One:

- Financial Forecast***
- Private link to a recorded pitch (maximum of 3 minutes)
- 10–15-page pitch deck
- Business plan (if available)

Phase Two:

- Proof of language test results for **each** applying founder as per [IRCC](#)
- Proof of settlement funds for **each** applying founder as per [IRCC](#)
- Proof of funds to support your business in Canada
- If you are applying from inside Canada, provide proof of immigration status. [If you are applying from outside Canada, no need for a proof]

*** Upload a spreadsheet or PDF document outlining your financial forecasts. Title your document: "[YOUR COMPANY NAME] Financials - [MAIN APPLICANT NAME]". While a full cashflow is very much appreciated, a pro-forma profit and loss statement will be accepted.
